A BILL FOR AN ACT to amend the Indiana Code concerning

6 **of finance.**

10 **hundred forty-eight thousand (148,000).**

(2) the taxpayer has defaulted on one (1) or more of its property tax payments;

(3) the qualified taxing unit has experienced and will continue to experience a significant revenue shortfall as a result of the default; and

(4) the taxpayer is a steel manufacturer.

Sec. 4. (a) The board shall determine the terms of a loan made under this chapter. However, the interest charged on the loan may not exceed the percent of increase in the United States Department of Labor Consumer Price Index for Urban Wage Earners and Clerical Workers during the twelve (12) months preceding the date that the unit applies for a loan under this chapter. A loan must be repaid not later than ten (10) years after the date on which the loan was made. The total amount of all the loans made under this chapter may not exceed twenty-eight million dollars (\$28,000,000). The board may disburse the proceeds of a loan in installments. However, not more than one-third (1/3) of the total amount to be loaned under this chapter may be disbursed at any particular time without the review of the budget committee and the approval of the budget agency.

(b) A loan made under this chapter shall be repaid only from:

(1) property tax revenues of the qualified taxing unit that are subject to the levy limitations imposed by IC 6-1.1-18.5 or IC 6-1.1-19; or

(2) any other source of revenues (other than property taxes) that is legally available to the qualified taxing unit.

The payment of any installment of principal constitutes a first charge against the property tax revenues described in subdivision (1) that are collected by the qualified taxing unit during the calendar year the installment is due and payable.

(c) The obligation to repay a loan made under this chapter is not a basis for the qualified taxing unit to obtain an excessive tax levy under IC 6-1.1-18.5 or IC 6-1.1-19.

(d) Whenever the board receives a payment on a loan made under this chapter, the board shall deposit the amount paid in the counter-cyclical revenue and economic stabilization fund.

(e) This section does not prohibit a qualified taxing unit from repaying a loan made under this chapter before the date specified in subsection (a) if a taxpayer described in section 3 of this chapter resumes paying property taxes to the qualified taxing unit.

(f) Interest accrues on a loan made under this chapter until the date the board receives notice from the county auditor that the

county has adopted at least one (1) of the following:

- (1) The county adjusted gross income tax under IC 6-3.5-1.1.
- (2) The county option income tax under IC 6-3.5-6.
- (3) The county economic development income tax under IC 6-3.5-7.

Notwithstanding subsection (a), interest may not be charged on a loan made under this chapter if a tax described in this subsection is adopted before a qualified taxing unit applies for the loan.

Sec. 5. The maximum amount that the board may loan to a qualified taxing unit is determined under STEP FOUR of the following formula:

STEP ONE: Determine the amount of the taxpayer's property taxes due and payable in November 2001 that are attributable to the qualified taxing unit as determined by the department of local government finance.

STEP TWO: Multiply the STEP ONE amount by one and thirty-one thousandths (1.031).

STEP THREE: Multiply the STEP TWO product by two (2).

STEP FOUR: Add the STEP ONE amount to the STEP THREE product.

However, in the case of a qualified taxing unit that is a school corporation, the amount determined under STEP FOUR shall be reduced by the board to the extent that the school corporation receives relief in the form of adjustments to the school corporation's assessed valuation under IC 21-3-1.6-1.1 or IC 6-1.1-17-0.5.

Sec. 6. (a) As used in this section, "delinquent tax" means any tax:

- (1) owed by a taxpayer in a bankruptcy proceeding initially filed in 2001; and
- (2) not paid during the calendar year in which it was first due and payable.

(b) Except as provided in subsection (d), the proceeds of a loan received by the qualified taxing unit under this chapter are not considered to be part of the ad valorem property tax levy actually collected by the qualified taxing unit for taxes first due and payable during a particular calendar year for the purpose of calculating the levy excess under IC 6-1.1-18.5-17 and IC 6-1.1-19-1.7. The receipt by a qualified taxing unit of any payment of delinquent tax owed by a taxpayer in bankruptcy is considered to be part of the ad valorem property tax levy actually collected by the qualified taxing unit for taxes first due and payable during a particular calendar

C
o
p
y

year for the purpose of calculating the levy excess under IC 6-1.1-18.5-17 and IC 6-1.1-19-1.7.

(c) The proceeds of a loan made under this chapter must first be used to retire any outstanding loans made by the department of commerce to cover a qualified taxing unit's revenue shortfall resulting from the taxpayer's default on property tax payments. Any remaining proceeds of a loan made under this chapter and any payment of delinquent taxes by the taxpayer may be expended by the qualified taxing unit only to pay obligations of the qualified taxing unit that have been incurred under appropriations for operating expenses made by the qualified taxing unit and approved by the department of local government finance.

(d) If the sum of the receipts of a qualified taxing unit that are attributable to:

(1) the loan proceeds; and

(2) the payment of property taxes owed by a taxpayer in a bankruptcy proceeding and payable in November 2001, May 2002, or November 2002;

exceeds the sum of the taxpayer's property tax liability attributable to the qualified taxing unit for property taxes payable in November 2001, May 2002, and November 2002, the excess as received during any calendar year or years shall be set aside and treated for the calendar year when received as a levy excess subject to IC 6-1.1-18.5-17 or IC 6-1.1-19-1.7. In calculating the payment of property taxes as referred to in subdivision (2), the amount of property tax credit finally allowed under IC 6-1.1-21-5 in respect to those taxes is considered to be a payment of those property taxes.

SECTION 2. IC 6-3.5-1.1-2, AS AMENDED BY P.L.135-2001, SECTION 1, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 2. (a) The county council of any county in which the county option income tax will not be in effect on July 1 of a year under an ordinance adopted during a previous calendar year may impose the county adjusted gross income tax on the adjusted gross income of county taxpayers of its county effective July 1 of that year.

(b) Except as provided in section 2.5, 2.7, or 3.5 of this chapter, the county adjusted gross income tax may be imposed at a rate of one-half of one percent (0.5%), three-fourths of one percent (0.75%), or one percent (1%) on the adjusted gross income of resident county taxpayers of the county. Any county imposing the county adjusted gross income tax must impose the tax on the nonresident county taxpayers at a rate of one-fourth of one percent (0.25%) on their adjusted gross income.

C
o
p
y

If the county council elects to decrease the county adjusted gross income tax, the county council may decrease the county adjusted gross income tax rate in increments of one-tenth of one percent (0.1%).

(c) To impose the county adjusted gross income tax, the county council must, after January 1 but before April 1 of a year, adopt an ordinance. **Except as provided in subsection (g),** the ordinance must substantially state the following:

"The _____ County Council imposes the county adjusted gross income tax on the county taxpayers of _____ County. The county adjusted gross income tax is imposed at a rate of _____ percent (____%) on the resident county taxpayers of the county and one-fourth of one percent (0.25%) on the nonresident county taxpayers of the county. This tax takes effect July 1 of this year."

(d) **Except as provided in subsection (g),** any ordinance adopted under this section takes effect July 1 of the year the ordinance is adopted.

(e) The auditor of a county shall record all votes taken on ordinances presented for a vote under the authority of this section and immediately send a certified copy of the results to the department by certified mail.

(f) If the county adjusted gross income tax had previously been adopted by a county under IC 6-3.5-1 (before its repeal on March 15, 1983) and that tax was in effect at the time of the enactment of this chapter, then the county adjusted gross income tax continues in that county at the rates in effect at the time of enactment until the rates are modified or the tax is rescinded in the manner prescribed by this chapter. If a county's adjusted gross income tax is continued under this subsection, then the tax shall be treated as if it had been imposed under this chapter and is subject to rescission or reduction as authorized in this chapter.

(g) This subsection applies to a county having a population of more than one hundred forty-five thousand (145,000) but less than one hundred forty-eight thousand (148,000). The county council may adopt an ordinance imposing the county adjusted gross income tax that takes effect May 1 of the year the ordinance is adopted. The ordinance must state substantially the following:

"The _____ County Council imposes the county adjusted gross income tax on the county taxpayers of _____ County. The county adjusted gross income tax is imposed at a rate of _____ percent (____%) on the resident county taxpayers of the county and one-fourth of one percent (0.25%) on the

nonresident county taxpayers of the county. This tax takes effect May 1 of this year."

(a) **Except as provided in subsection (b)**, one-half (1/2) of each adopting county's certified distribution for a calendar year shall be distributed from its account established under section 8 of this chapter to the appropriate county treasurer on May 1 and the other one-half (1/2) on November 1 of that calendar year.

(b) This subsection applies to a county that adopts an ordinance under section 2(g) of this chapter. In the calendar year in which the ordinance adopted under section 2(g) of this chapter takes effect, the county's certified distribution for the calendar year shall be distributed from its account established under section 8 of this chapter to the county treasurer as follows:

(2) One-fourth (1/4) on November 1.

Distributions for the calendar year following the calendar year in which the ordinance adopted under section 2(g) of this chapter takes effect shall be made as provided in subsection (a).

(c) Except for:

(1) revenue that must be used to pay the costs of operating a jail and juvenile detention center under section 2.5(d) of this chapter;

(2) revenue that must be used to pay the costs of construction, improvement, or renovation of a jail under section 2.7 of this chapter; or

(3) revenue that must be used to pay the costs of operating and maintaining a jail and justice center under section 3.5(d) of this chapter;

distributions made to a county treasurer under ~~subsection~~ **subsections (a) and (b)** shall be treated as though they were property taxes that were due and payable during that same calendar year. The certified distribution shall be distributed and used by the taxing units and school corporations as provided in sections 11 through 15 of this chapter.

(d) All distributions from an account established under section 8 of this chapter shall be made by warrants issued by the auditor of the state to the treasurer of the state ordering the appropriate payments.

(b) The county option income tax may initially be imposed at a rate of two-tenths of one percent (0.2%) on the resident county taxpayers of the county and at a rate of five hundredths of one percent (0.05%) for all other county taxpayers.

This tax takes effect July 1 of this year."

(d) If the county option income tax is imposed on the county taxpayers of a county, then the county option income tax rate that is in effect for resident county taxpayers of that county increases by one-tenth of one percent (0.1%) on each succeeding July 1 until the rate equals six-tenths of one percent (0.6%).

(e) The county option income tax rate in effect for the county taxpayers of a county who are not resident county taxpayers of that county is at all times one-fourth (1/4) of the tax rate imposed upon resident county taxpayers.

The ordinance must state substantially the following:

"The _____ County Income Tax Council imposes the county option income tax on the county taxpayers of _____ County. Sec. 5. (a) The maximum amount that the board may loan to a qualified taxing unit is determined under STEP FOUR of the following formula:

STEP ONE: Determine the amount of the taxpayer's property taxes due and payable in November 2001 that are attributable to the qualified taxing unit as determined by the department of local government finance.

STEP TWO: Multiply the STEP ONE amount by 1.031.

STEP FOUR: Add the STEP ONE amount to the STEP THREE product.

Sec. 6. (a) As used in this section, "delinquent tax" means any tax:

- (1) owed by a taxpayer in a bankruptcy proceeding initially filed in 2001; and
- (2) not paid during the calendar year in which it was first due and payable.

(b) Except as provided in subsection (d), the proceeds of a loan received by the qualified taxing unit under this chapter are not considered to be part of the ad valorem property tax levy actually collected by the qualified taxing unit for taxes first due and payable during a particular calendar year for the purpose of calculating the levy excess under IC 6-1.1-18.5-17 and IC 6-1.1-19-1.7. The receipt by a qualified taxing unit of any payment of delinquent tax owed by a taxpayer in bankruptcy is considered to be part of the ad valorem property tax levy actually collected by the qualified taxing unit for taxes first due and payable during a particular calendar year for the purpose of calculating the levy excess under IC 6-1.1-18.5-17 and IC 6-1.1-19-1.7.

Any remaining proceeds of a loan made under this chapter and any payment of delinquent taxes by the taxpayer may be expended by the qualified taxing unit only to pay obligations of the qualified taxing unit that have been incurred under appropriations for

operating expenses made by the qualified taxing unit and approved by the department of local government finance.

(d) If the sum of the receipts of a qualified taxing unit that are attributable to:

(1) the loan proceeds; and

(2) the payment of property taxes owed by a taxpayer in a bankruptcy proceeding and payable in November 2001, May 2002, or November 2002;

exceeds the sum of the taxpayer's property tax liability attributable to the qualified taxing unit for property taxes payable in November 2001, May 2002, and November 2002, the excess as received during any calendar year or years shall be set aside and treated for the calendar year when received as a levy excess subject to IC 6-1.1-18.5-17 or IC 6-1.1-19-1.7. In calculating the payment of property taxes as referred to in subdivision (2), the amount of property tax credit finally allowed under IC 6-1.1-21-5 in respect to those taxes is considered to be a payment of those property taxes."
